

Accessing feedback on Turnitin

Student Guide

1

Login to GCULearn and navigate to the relevant module

2

Click on the **Assignments** link from the **navigation menu**

3

Click on **View/Complete** of the relevant assignment to open the submission page as you done in the Submitting a Turnitin Assignment Guide.

The screenshot shows the Turnitin interface. On the right, a navigation menu is visible with the 'Assignments' link circled in red. Below it, two assignment cards are shown. The first card, 'ROMFa1', has a 'View/Complete' link circled in red. The second card, 'RalFa220218', has a 'View/Complete' link circled in red. The main interface shows a 'Class Homepage' section with a 'Class Homepage' button. Below this is an 'Assignment Inbox' table for 'GM development area _91300_1'. The table has columns for 'Info', 'Dates', and 'Similarity'. The row for 'RalFa220218' shows a 'View' button circled in red.

In **Feedback Studio**, your course instructor will have provided you with a grade and feedback that will help you reflect on your mark and suggest ways in which you can improve your work and your marks in the future. Below are the main ways in which your instructor may leave feedback. In addition, you may also receive audio feedback

The screenshot shows the Feedback Studio interface for a course titled "Netskills 13 Training" on "Principles of radiation protection". The overall score is 71/100. The interface is annotated with several callouts:

- Overall**: A callout pointing to the score "71 /100".
- Activate/deactivate Instructor Feedback**: A callout pointing to a toggle switch in the top right toolbar.
- Activate/deactivate Similarity Checking**: A callout pointing to another toggle switch in the top right toolbar.
- Access rubric**: A callout pointing to the "View Rubric" button.
- Audio feedback**: A callout pointing to the "Voice Comment" section, which includes a play button and a progress indicator (0:00 / 0:12).
- General feedback on overall performance**: A callout pointing to the "Text Comment" section, which contains a paragraph of feedback text.
- A General comment**: A callout pointing to a comment bubble icon in the left margin.
- Inline text**: A callout pointing to a green checkmark icon in the right margin.
- Inline Quick Mark with comment inserted**: A callout pointing to an "Insert" button with a speech bubble icon in the left margin.

The main content area displays a document titled "PRINCIPLES OF RADIATION PROTECTION" with sections for "Justification" and "Optimisation".
