00:05 Speaker 1

Hi everyone, I'm Amanda and I'm one of the academic librarians here at GCU. I work particularly with the School of Computing, Engineering and Built Environment to make sure that we have all the right resources for your course and to help you make the most of using them.

00:19 Speaker 1

As well as all the induction activities you'll be taking part in over the next few weeks, we also offer support throughout the year.

00:27 Speaker 1

You can always email us with questions and during term time we'll be running online daily drop-in sessions.

00:34 Speaker 1

If you need more in-depth help, you can book appointments, either one to one or in small groups.

00:40 Speaker 1

We'll also be offering webinars throughout the year and you'll be able to develop new skills and brush up on old ones. You'll find details of all these services on the library website.

00:50 Speaker 1

Take some time to look at the website and familiarize yourself with what's available.

00:55 Speaker 1

Using library resources will save you time and will improve the quality of your coursework.

01:01 Speaker 1

Thanks for listening, good luck with your course and do get in touch if you need help.
