## Our story

## **About us**

| Name                              |
|-----------------------------------|
| What we do                        |
|                                   |
|                                   |
| Where we are based                |
|                                   |
|                                   |
| Our history                       |
| When we began and who set it up   |
|                                   |
|                                   |
| Why we were set up                |
|                                   |
|                                   |
| Support helping us to get started |
|                                   |
|                                   |

## Our story

## **Changes over time**

| Previous names                         |
|--|
|  |
|  |
|  |
| Changes of premises                    |
| Changes of premises                    |
|  |
|  |
|  |
|  |
|  |
| Changes in activity / purpose          |
|  |
|  |
|  |
|  |
