Quickly printed off new student ID for me at campus life desk and was very nice.

Plenty of room to study despite graduation

Please improve the website thank you

Some services have a long wait to see a person face to face such as careers service.

Very easy to use and helpful

Some systems like the attendance do not seem convenient especially when you lose your cards often (you shouldn't but some of us do) Paying £15 all the time to replace is not fun, old cards should at least be re-activatable when you find the again.

Excellent as always

The procedure of registration took long. They must give more attention to international students.
